

Quality Management Policy Statement

McTaggart Construction Ltd are committed to delivering a successful and high quality, professional, all-trades construction service to our clients in the social & private housing, healthcare, commercial and education sectors throughout Scotland.

Our Company's Core Values define our approach to Quality Management and Continuing Improvements. This approach to Customer Service & Excellence is understood and embraced by our Pre-Development team, Site Management, back office support staff, skilled workforce and tradesmen.

We put our Clients first and build our unique reputation by working together with their design teams to deliver the highest standards of construction for our clients and their customers.

Our staff and employees at all levels are empowered to drive change and improvements within our business. This commitment is actively encouraged by the Directors.

By meeting regularly with all departments and aspects of our business we adopt quality and seek improvement in all our strategic and operational thinking. Feedback, Interaction, Expression of Ideas and positive Communication are at the heart of our Quality Management Meetings, Target setting, Systems of Work and ongoing Improvements.

McTaggart Construction Ltd have achieved **ISO 9001:2015** and are committed to continuing compliance with the requirements of this Standard. We will :

- Improve on a Consistently High Quality service to our Clients and their customers
- Deliver Successful Construction Projects on Time and within Budget
- Reduce and Minimise Waste in all our Business Activity
- Be a Fair Employer where Training & Development is Supported
- Set compliance as a minimum with all applicable statutory and regulatory requirements.
- Regularly Review and Implement Positive Changes to our Documented Work Practices
- Combine Clear Thinking and a Common Sense Approach to Problem Resolution
- Take Personal Responsibility for Quality of Work at all levels within the Company

These commitments ensure everyone in McTaggart Construction Ltd is accountable for fully satisfying our customers by meeting or exceeding their needs and expectations. Our objective is 100% customer satisfaction 100% of the time.

Signed:

Janice Russell
